** New this year - We will be running a summer-long ladder for juniors. Similar to adult tournaments, participants will be able to schedule their own matches (sometimes during Friday scrimmages). Participation in and oversight of ladder will be managed by John Morlidge. More information to follow.

Friday matches/scrimmages included for High school varsity, High school JV and yellow 2. There will be additional subgroups within these groups and times at the pros discretion. If you have questions about levels please contact Dara Keidan (darak@tenandfit.com) before registering.

RFTC members will be given registration priority and will be permitted to register for mon/wed and tu/thurs class at the appropriate level - not every level is offered every day - kids can play in lower level but cannot level up without permission.

Optional matches will be available some Fridays for other groups on occasion by invitation (\$25 fee).

Registration link and more information about policies at <https://rftc.org/junior-tennis-program> (registration opens in late March).
